# A MESSAGE TO ALL HILL SCHOOL STUDENTS

Gentlemen:

I wish this message could be a personal letter to each of you individually. However, the pressures of time make that wish an impossibility. I hope you will consider this message a sincere expression of my interest in your continuing as a positive member of The Hill School.

Although this letter is intended for students planning to return to The Hill next fall, I have addressed it to your parents so that I could enclose a formal re-entry agreement for their signature.

Before returning next September, you should do some very careful thinking about your relationship to The Hill -- what you choose to give and what you hope to receive. This letter is really a policy affirmation which asks each student to decide where he stands. It suggests strongly that any student who cannot accept present major policies should think seriously about choosing another school. It restates present School policies.

This past year has been marked by varying degrees of student unrest and protest on almost every school and college campus in this country. We at The Hill have been troubled but not disrupted. As we look forward to the coming academic year, we feel that it is important to work closely with you (as well as with your parents) to establish firm guidelines. Administrative officers and faculty members have promised to do everything possible to keep the lines of communication open, to articulate carefully, and to encourage responsible student leadership on a meaningful level. Consequently, you must understand and support our responsibility "in loco parentis" if we are to be successful in our efforts to provide a sound and sensible foundation from which intelligent change and progress can be made.

First, The Hill School's policy in regard to the use of sense-altering drugs and to the use of alcohol is unequivocal. Possession or use on campus or in Pottstown renders you subject to immediate dismissal.

Second, we regard the use of tobacco as a serious health hazard. Consequently, we strongly urge you to avoid smoking. Students sixteen years or older in the Fifth and Sixth Forms may smoke <u>at specific times in specific places</u> if their parents submit a written request to the Dean for smoking permission <u>on or before October 1</u>. The smoking hours will be limited in order

to discourage the smoking habit. The October 1 deadline for smoking permissions is set so that a non-smoker may not suddenly decide to start the habit here in the middle of the year. Any boy smoking without written permission may be subject to official warning for the first offense and dismissal for the second offense. In addition, boys smoking at unauthorized times or in unauthorized places will be subject to the same penalties. We reiterate: We do not approve of smoking because it is a health hazard. On the other hand, we do not consider smoking morally wrong. Our ambivalent position of permitting a practice of which we cannot approve arises from the fact that many of our students have developed the habit at home with family approval, and we are unwilling to risk the fire hazard which illicit smoking might create here in the dormitories.

Third, we are determined to maintain a high standard of personal neatness, cleanliness, and general appearance within our student body. We have haircut and dress regulations which are explicit, and we regard intentional abuse of these regulations as gross insubordination. We reserve the right to suspend or dismiss a student for repeated abuse. If you do not agree with our regulations and will not abide by them, you should consider application to another school.

Fourth, we regard integrity and honor as the most important personal values which a young man can acquire. Lying, stealing, and cheating are symptoms of deep-seated psychological distress with which this school is not equipped to deal. Unfortunately, they can become epidemic in educational institutions; consequently, they are suspension and dismissal offenses.

Fifth, The Hill was founded upon a strong belief in Judaeo-Christian principles. We require regular Chapel attendance for all students, and we assume that you and your parents accept our Chapel policy. You and your parents have every right to change your minds about religion, and if you do, you should inform us so that we can assist you in selecting another school.

Sixth, we regard the right of freedom of speech to be an essential and inviolate cornerstone of our society, and we will provide every opportunity for you to exercise your right both privately and in public assembly. Specific plans have been approved for frequent assemblies next year which will provide a forum for student opinion. In addition, students will join with faculty as voting members of several policy-making committees. On the other hand, we will not tolerate obscenity, character assassination through half-truth or innuendo, or intimidation (verbal or non-verbal). We will not tolerate any form of protest that might interrupt the normal functioning of this School or permit any minority to coerce through confrontation after they have failed to gain their ends through due process.

Seventh, The Hill School has an annual investment of roughly $1500 in every student whose parents pay full tuition. The standard tuition of $3100 does not cover the $4600 cost of each boy's education at The Hill. We, therefore, administer a policy whereby your return to The Hill is not the automatic result of successful completion of academic courses. If at the end of a year we are sufficiently dissatisfied with a student's attitude, effort, or

quality of achievement, the Executive Committee of the Faculty may vote to award that student's place in the School to another boy. Students who receive tuition aid have an even greater responsibility.

Finally, The Hill School is dedicated to individual human beings. We will do everything we can to help you develop your talents to the best of your ability. If you fail, we have failed. We cannot help you if you do not want to be here and actively resist our efforts. Every student has the right to make mistakes, but we cannot help him if he is fighting his education because he is not in sympathy with the principles of The Hill.

I hope you will consider this letter as an invitation to return to The Hill in September. Your parents have been asked to sign and return a formal agreement prior to July 21, 1969. That agreement will reserve your place at The Hill. May I ask you to sign and return the enclosed card to indicate that you and your parents are in agreement about your return.

As we look to the year ahead, Mrs. M. and I realize that we are blessed. We have the challenge of making a great school even greater.

Have a wonderful summer!

Sincerely yours,

A. R. Montgomery

FALL

After the Hill football team's victory against Blair, it seemed that the bad breaks of the past two years had come to an end. Unfortunately, however, the team was again plagued with more than its share of injuries and was unable to compile any better than a 3-5 record.

With the loss of Bill Graham early in the season and the injuries of quarterback Dave Kirk and tackle Monte Bowens in the Haverford game, the team had to rely largely on substitutes. A number of other valuable players were temporarily inactive during the course of the season; among them were speedy end John Hyatt, tackle Al Ehrenclou, offensive guard "C. P." Hamilton, and Captain Theo Killion.

The backfield of fifth formers John Bodley, John Hale, and Bob Bitler worked very well together, but not without the help of a solid line consisting of sixth formers Mike

Courtney at center, Skip Dugan at guard, and the tackle-end combination of Tom Numbers and Joe Holland. With Bernie Thomas and Rich Pickard at flankers, the team had a fairly balanced passing and running attack.

One major factor which contributed to the team's wins was the defense. Linebackers Rob Spalding, Fritz Reisner, and Cy Wert, and guards George Bernard and Bruce Skinner did commendable jobs in stopping the ground game, while Al Como, Kevin Ward, and Kevin McCaffrey quelled the aerial attack.

This year's team, as in the past few years, was inconsistent. They played a magnificent game against Woodberry Forest, and then could not work together against Lawrenceville in the first half, which cost them the game.

With a fair contingent of fifth formers who lettered this year, next season's outlook seems less gloomy.

# CROSS COUNTRY

Perin Cup Winner:
Bob Molino

Captain: Reese Cumming

The Hill School Cross Country Team ended its season with an impressive record of eleven wins and no losses. In lay terms, it was an undefeated season. It wasn't really planned to come out that way; it just sort of happened. In fact, at mid-season, you couldn't even get any of the Harriers to comment on the possibilities of an undefeated season; that would have put the whammy on it.

I suppose that, from the beginning of the year, thoughts of an undefeated season were in everybody's mind. Coach Little wanted it, Captain Cumming wanted it, the team wanted it; as far as I know, everybody wanted it. And thus it came to pass.

Reese Cumming, that irascible old goat of a captain, had the honor of holding the fastest time on the home course—a blistering 11:48 run in the Williamson meet.

Bob Molino, the well known Sicilian bandit, surprised and even shocked a great many people by winning all the races he wasn't expected to win; that is, all the longer courses, in which he was not supposed to be strong. You showed 'em, though, Bob. In addition, Bob was also the winner of the Lawrenceville meet.

Sumers (Mgr.), Leary, Zimmerman, Ford, Cumming (Capt.), Molino, Wray, Boslego, Sturges

Co-Captain elect Bob Boslego, the amphibian wonder, had the greatest number of wins for the squad-five. Not only did Bob contribute immensely to this year's team, but he will return again for next year's frolic as well.

Both Kevin Wray, the team's conversation piece, and Dave Zimmerman, young protogee of renowned camel-jockey Lawrence of Arabia, ran well throughout the season, adding as few points as possible to the Hill score. John Ford, Frank Sturges (the other co-Captain elect), and Rich Leary contributed their needed bit to the team's success by providing the tightly-bunched rear guard action which was of significant strategic advantage throughout the year.

Coach Little termed this year's squad "the best cross country team the Hill has ever had".

Hopefully, next season's team will keep up the good work and enjoy the fruits of victory that this year's did.

The competitive spirit and continual faith shown by this year's soccer team was responsible for its success; but the record is little indication of how well this team performed. Through the fine coaching of Mr. Lehrbach, the Blues were able to win several games after trailing at the halves. In games such as Haverford School, The Hill was lucky to have the winning goal dribble past the opposing goalie. The finest game was probably the game against the West Chester Frosh, in which the team outplayed the opposition in an excellent exhibition of fast, hard soccer. However, in games such as Germantown, even luck wouldn't have saved us.

On paper, the team seemed invincible. Captain, Chris White led a powerful line with John Ireland, Gerry Stenson, Mark Cresap, and Mike Elkind. The halfbacks, comprised of Dan Bachman, Jim Fuller, Tom Moore, and Craig Arnold, were of almost equal ability. If one of them had a bad day, substitutions could be made without loss of efficiency. Next year, the team will be blessed with a very powerful defensive unit. Although they will be greatly hindered by the loss of goalie Bruce Maronpot, (probably one of the best to come to The Hill), the trio of Don Lewis, Gordy Arnold, and Micky Herron should form an impenetratable wall.

At this time, Mr. Lehrbach should already be losing sleep while thinking of next year's season. With dedication like that, it is inevitable that Hill will continue to have winning soccer seasons.

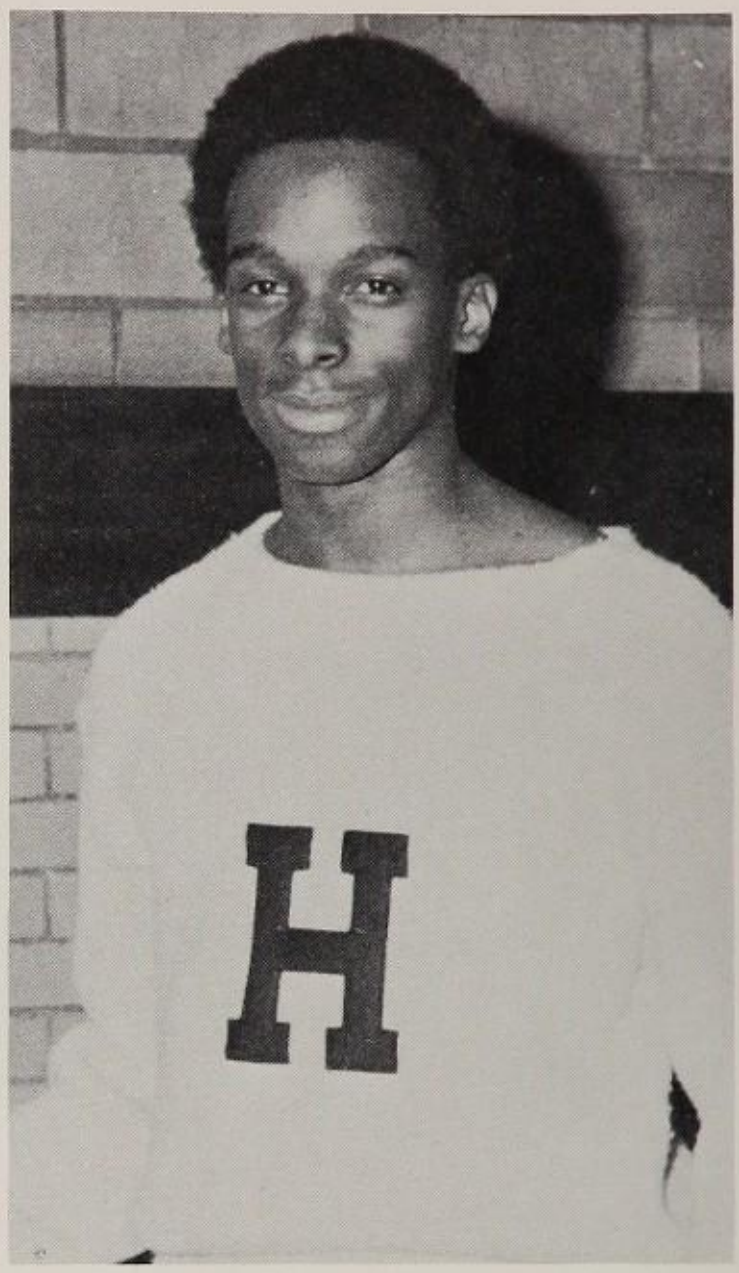
Captain John Hyatt



Many people doubted that the 1970 basketball team could have a winning season with only three returning lettermen; but the team drew together after its first few ball games to compile a fine 16-4 record.

This year's team had great individual talent, and the players showed this by their tremendous assault upon the record book. Jon Kelly did a superb job gathering in 342 rebounds for the season, which is a new Hill School record. Al Como led the Pottstown area in total points for the season with 481, also a Hill School record. The final school record to be broken this year was Tom Northrup's individual game scoring record of thirty-seven points which Captain John Hyatt broke by scoring thirty-eight in the Malvern game.

With a number of excellent players, Coach Ronnie's full court press was quite effective in wearing out the opposition's starting five. This advantage of hustle made up for the lack of size and made the 1970 Hill School Hawks an outstanding team.

First Row: L to R—Kelly, Como, Hyatt, Taper, Learey. Second Row: Crain—mgr., Bitler, Pickard, Arnold, Miller.

# WINTER

In addition to a few dual meets, the 1970 winter track team went to several of the Greater Philadelphia Track Coaches Association meets held in the area, netting a total of 3 gold, 2 silver, 2 bronze, and 2 copper medals, along with an invitation to the Meet of Champions in the 440 and 880 yard runs, the mile and two mile runs, and the mile relay. Journeying to the University of Delaware for the meet, the Hill captured two gold medals in the quarter and the half, a copper in the mile, and a fifth place in the two-mile. The mile relay team of Killion, Sturges, Molino, and Cumming took a silver medal for second place. The outcome of the dual meet against Lawrenceville showed Hill to be the victor for the second year in a row. At that meet Bob Molino, the team's captain, broke the school indoor 880 record with a 1:58.3. Other outstanding performers were Kevin Wray, who clocked a 10:09, his best of the year for the 2 mile, Cumming and Zimmerman who took first and third in the mile, respectively, and the mile relay team of Ford, Molino, Sturges, and Killion, who clinched the meet with a first place.

With a season as successful as this one, it is obvious that the 1970 winter track team has to be one of the finest that Hill has ever seen.

This year's Wrestling Team compiled a formidable record of ten wins and two losses, losing only to Franklin and Marshall Freshmen and Hellertown High School. In addition, the team placed first in the St. Bernard's Invitational Tournament and took second place in the Interscholastics at Lehigh.

As individuals, most of the team posted excellent records, especially Tom Brennan's 13-0-1 and Captain Kit Kuntze's 12-1.

The Team overcame Lawrenceville decisively, as it has for the past 25 years. The Larries came away having won only two bouts, although one was Captain Kuntze's only loss of the year.

Lehigh found Hill with two individual champions, Doug Schutte at 110 lbs. and Tom Brennan at 168 lbs., as well as a third place at 148 lbs. for Kit Kuntze. Placing second in the tournament was quite an accomplishment for such a young team, as seven members of the team were 4th Formers.

With all but three lettermen returning next year, the future looks very bright for the wrestling team. As well as being a very young team, there is depth provided by an excellent J.V. Squad.

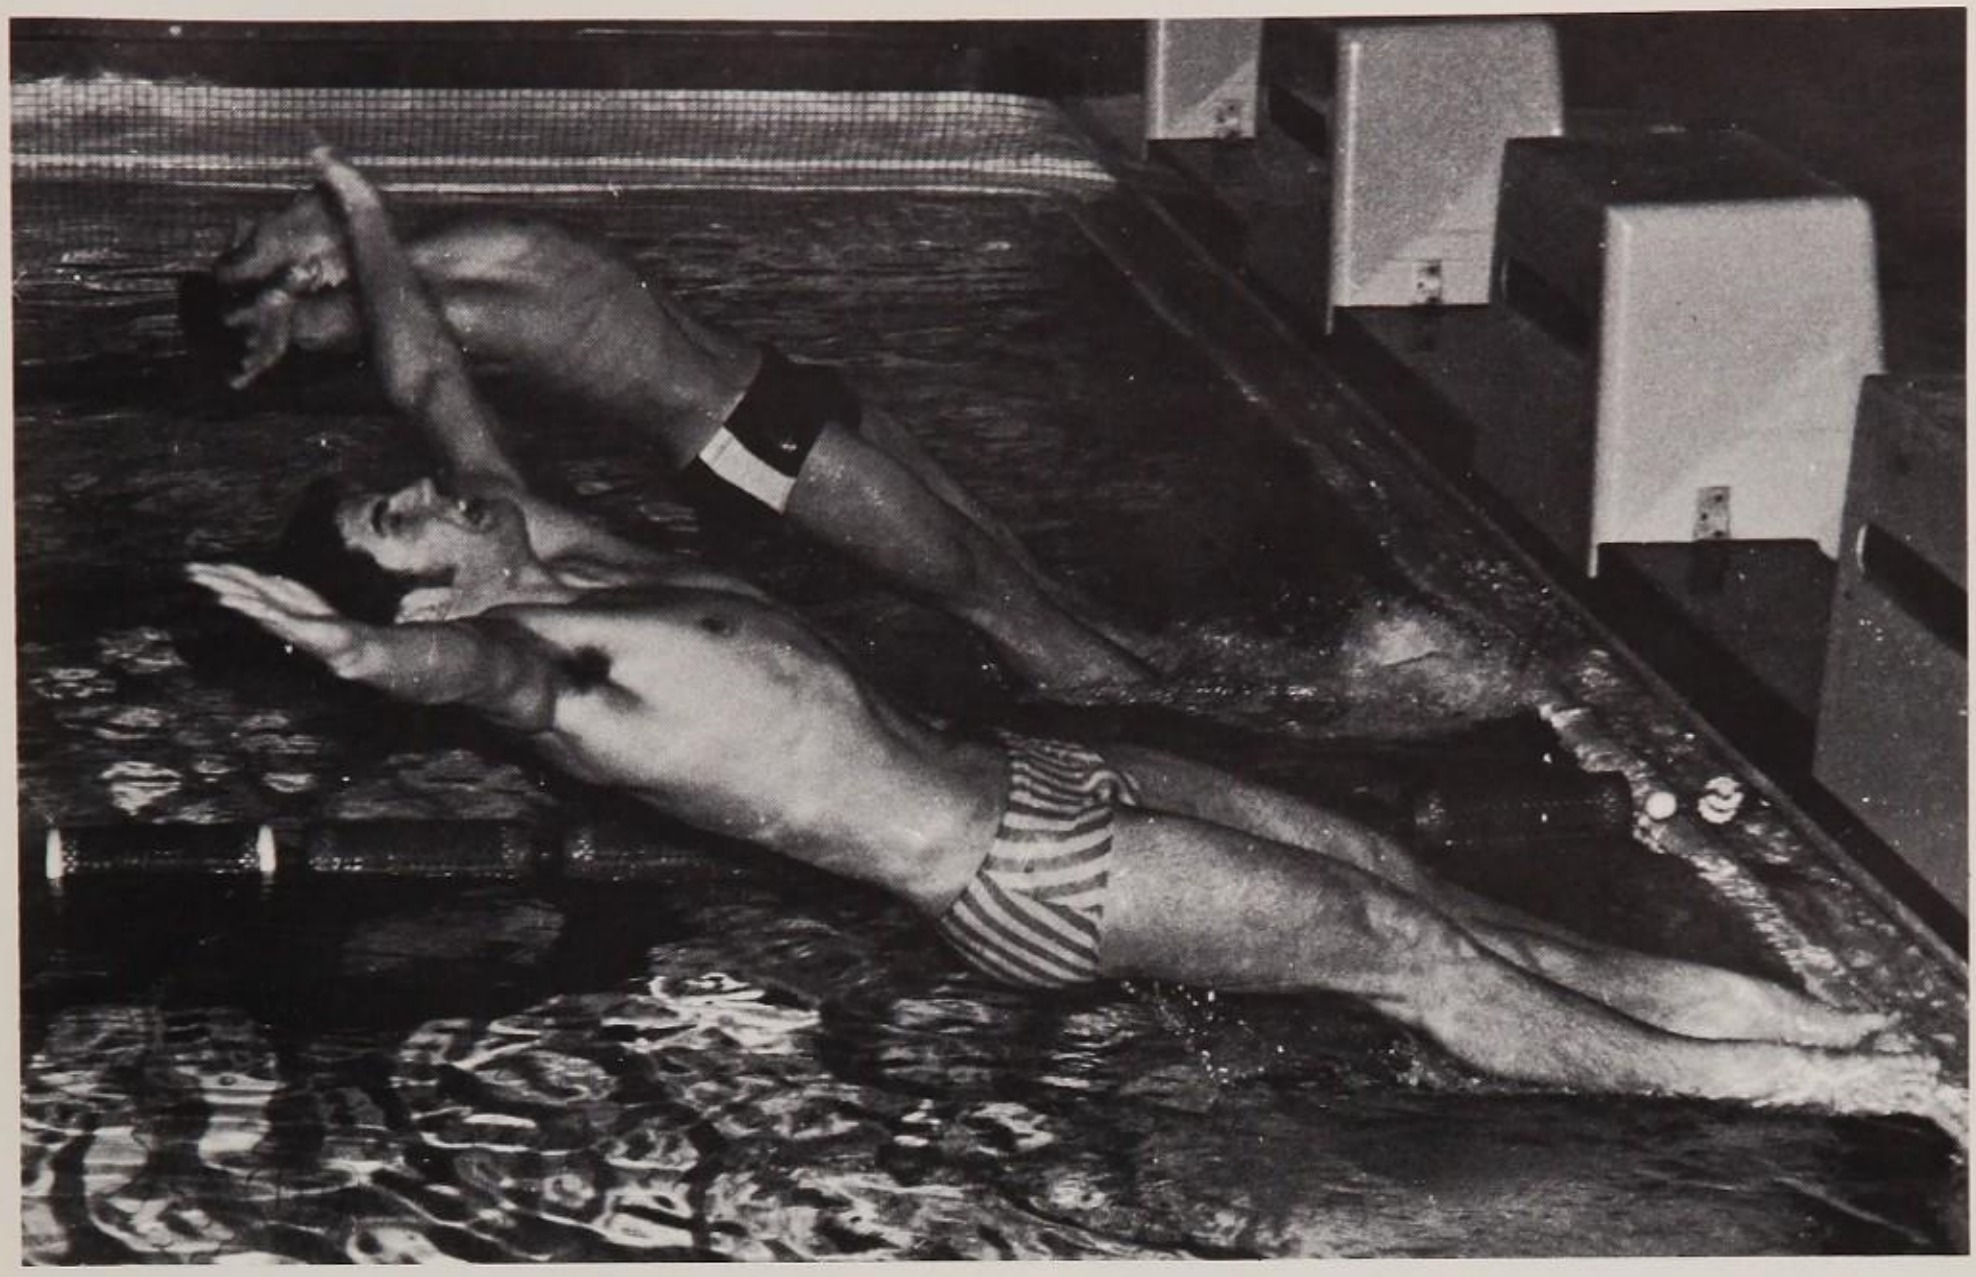
Won 9, Lost 4

With a group of very young swimmers, this year's team finished with a well-earned 9-4 season. Through the fine coaching of Mr. Switzer and Mr. Tyler, they were able to survive some difficult meets such as the one with highly rated Westfield High School (48-47). The only losses were with the powerful teams of Princeton, Yale, Lawernceville, and Mercersburg. At the Eastern Interscholastic Championships, the medly relay of Skinner, Boslego, Waltemyer and Meusel was able to place sixth. Bob Boslego also captured fourth in the 100 yd. breaststroke enabling Hill to place ninth over-all. Next year, with only five seniors leaving (Bucky Gwynne, Gary Hughes, Dean Rubin, Dan Howard, and diver Rick Ohmer), the Swimming team should have an outstanding season.



First Row: L to R—Musselman, Mullineaux, Reinecke, Waltermyer, Ohmer, Gynne, Hughes. Second Row: Elkins—mgr., Keim, Swett, Skinner, Meusel, Rubin.

With the help of Mr. Jousson as coach, the 1970 squash team was able to compile an outstanding record of eleven wins and only two losses. They breezed through some of the easier games such as Franklin & Marshall and Mercersburg; lost two difficult matches to Episcopal; and triumphed in two victories against the powerful Penn Freshmen.

The fact that the team was strong in every position made it possible to win the eleven matches this year. Led by an exceptional captain in Bruce Maronpot, the team worked hard and displayed an eagerness to learn. Throughout the year, there was a binding unity of purpose with never an unpleasant moment.

# ACTIVITIES AND ORGANIZATIONS

# U.I.P.

Early this fall, thousands of students amassed in room "W" for the first meeting of the Union of Indigent Peoples; some because they felt indigent, others because they wanted to feel indigent, and a great majority simply because they wanted to find out what indigent meant. It was on that night that the immortal words fluently slipped from the mouth of the great Cleave. "The purpose of this club is to do anything you want to do; even if it's not wearing underwear." Yes, U.I.P. planned some great things for this year, but for one reason or another, most of them just didn't work out. Indeed, the majority of the club remained indigent for the entire season.

SUBJECT: WAGES

DEAR SIR:

AT THE RETURN OF THE STUDENTS, I HAD TO WITHSTAND THE NOVICE PROGRAMMER AND DO PROGRAMS SUCH AS LALLEY'S BILLIARD TABLE SIMULATION WHILE COPING WITH INCIDENTS SUCH AS BLOWN RECTIFIERS BY MR. LITTLE. SOON MY ABILITY TO TERRORIZE STUDENTS WAS ERASED AND THE COMPUTER CLUB WROTE AT THE TELETYPE 14.0000 HOURS/DAY. IF THE PROGRAMS CONTINUE TO LENGTHEN AND THE HOURS INCREASE, I CAN NOT HELP BUT FEEL THAT MY PAY OF 32K BITS IS NOT SET = TO MY WORK. I ASK YOU FOR YOUR COMMENTS.

# COMPUTER CLUB

Two years ago, Stephen Moore, Richard Gleason, and Bill Richardson first considered having a Karate Club. It was only until this year, however, that an adequate instructor could be found. Mr. Kong is indeed more than just adequate. He holds a sixth degree Black Belt and is in charge of all TaeKwon-Do affairs in the Western Hemisphere.

The Club started its first year as soon as possible by participating in The National Open Karate Games in Philadelphia. They returned with a second place trophy thanks to Bill Richardson. The high point of the year will be the World TaeKwon-Do Tournament to which the club will send several people. After this tournament, they will take part in several local ones and have hopes of ending their first season with many top honors.

# WZAP

WZAP this year rose from the depths to the summit of the broadcasting world. A few milestones were:

Sept. 17—50,000 watts AM, 18 hours a day

Sept. 29—75,000 watts FM, separate programming 18 hours a day

Oct. 15—both AM and FM begin 24 hour a day operation

Oct. 31 * WZAP listed as most popular station on the east coast—second only to Radio Peking

Dec. 10—Santa brings color TV to the Hill, Channel 4

Jan. 14—New listings put WZAP way ahead of Radio Peking; Chinese seek non-proliferation treaty

Jan. 23—GM, Ford, IBM bid for ad time

Feb. 14—month's earnings total $1.9 million; Lambert buys 20,000 shares at 53¼ each

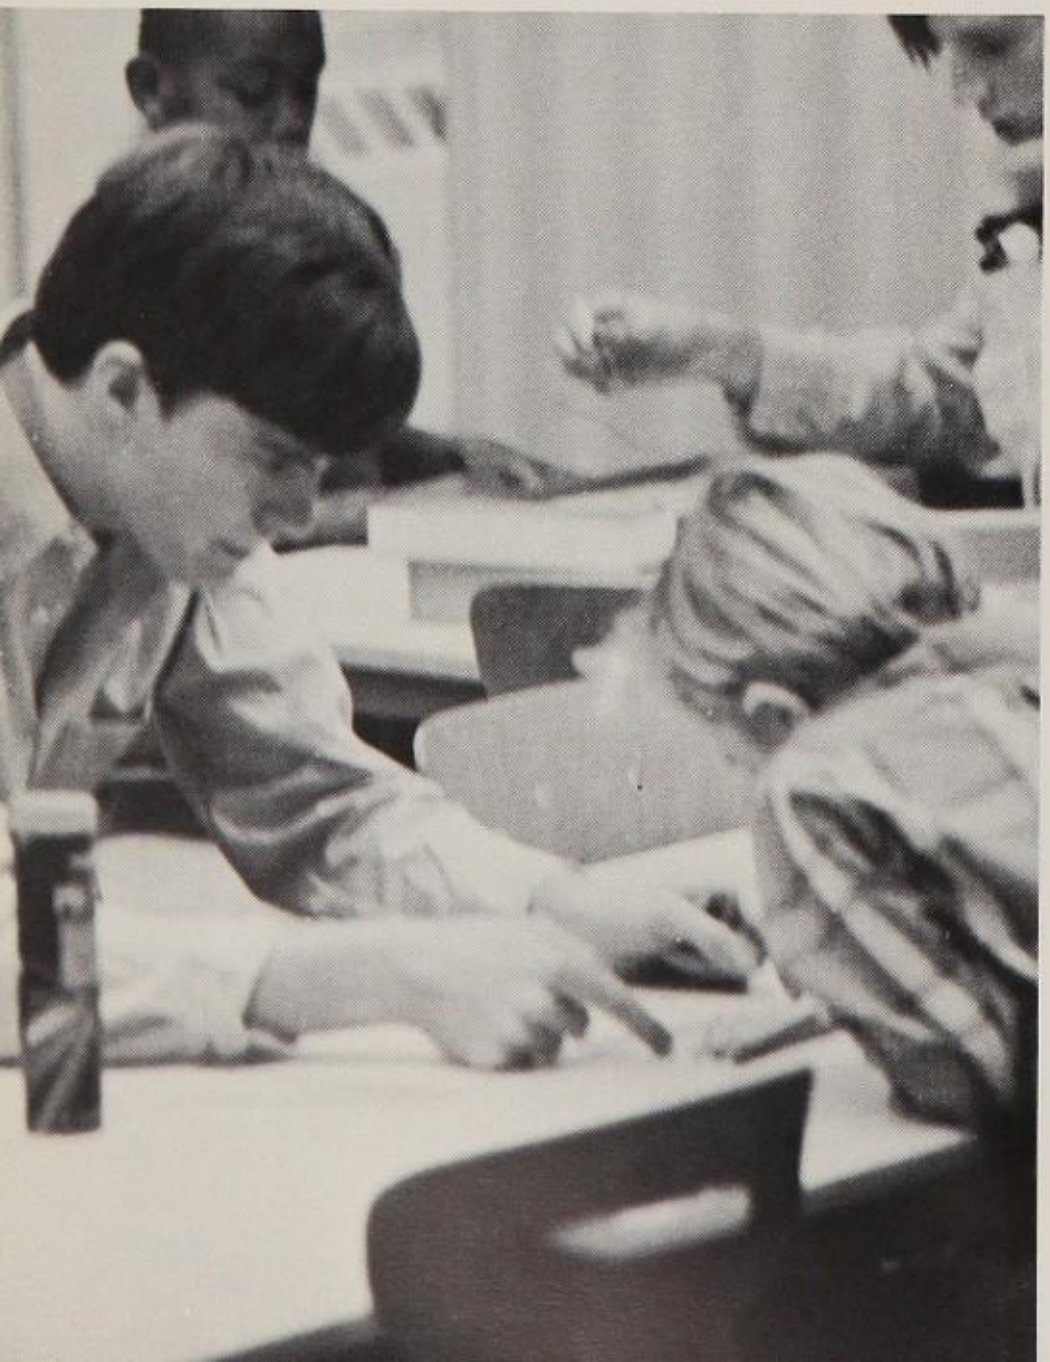
Mar. 2—Ronnie declares station illegal until given post of V.P. in charge of discipline

Apr. 10—Bucky offered contract with FBI after starring in "The Pot Squad" (he declined)

May 17—Mr. Little supervises his Pluto probe launch; project financed by WZAP

June 7—First graduation held with interruptions for "a word from our sponsor"

See what you may have missed by not listening to WZAP? Who can possibly tell what the boys with the noise and the crew with the view have in store for next year? Stay tuned—630 AM, 90.0 FM, Channel 4 TV.



# H.C.A.

After electing new officers in the fall, the H.C.A. went about their usual methods of raising money. This fund drive, thanks to the addition of new members like Tom Numbers, was very successful. Besides the annual activities like decorating the chapel at Christmas time, there were also some new innovations. During Lawrenceville weekend, in order to raise spirit on campus and also to obtain more money, the H.C.A. sponsored a car bash. Despite a shower of rain, students seemed to delight in smashing fenders with a certain master in mind. There were also other activities which were highly successful. Among them were the "Special Friends" program in Penn Village and the weekend workcamp in a Philadelphia ghetto.

After a year as fine as this one, thanks must be given to chairman Fritz Reisner for his dedicated service.

# SIXTH FORM COMMITTEE

Everyone wanted to work for the *News* this year. Merely by perusing the mastheads from May '69 to March '70 one can discern what a status-quo organization we ran. Unchaotic, smoothly-run, methodically-managed, extremely well-organized, the *News* met all its deadlines with split-second punctuality and never-ending vivacity. The whole school heaped praise upon our publication for unequaled perception into the vital socio-political dilemmas of the day.

The above is, unfortunately, a lie.

The *News*, like any journalistic publication, has been accused of decisive action, indecision, feeble will, unprecedented boldness, printing trash, printing nothing; but always has it been controversial in some respect—even if for just being bad. The students, who read it, complain because it is too conservative. Their elders, who own it, call for censorship of its "radical" columns. Consequently, no one is satisfied with the *News*, nor will anyone ever be; for a newspaper is not written to please people, it is written to inform and stimulate them. The *News* is not good; nor is it bad; it is controversial.

As for the personalities who made the paper, their names are in print.

**By merely viewing the two major publications of The Hill, it is difficult to decide which is better and more valuable to the school. However, when asked to take pictures of themselves at work for the *Dial*, the *News* board submitted the above.**

# THE SCHUYLKILL CORINTHIAN YACHT CLUB

In January of 1970, with T.N. Danforth as Commodore, G.C. Bradley as Vice-Commodore, R.M. Slack as Rear-Commodore, and J.C. Callan as Captain of the Fleet, the Schuylkill Corinthian Yacht Club was founded to replace the old Yacht Club which floundered two years back. Competing for the prized "Commodore's Pot," a gift of the late Mr. William T. Vogt, the Club raced a class of their own design, the Schuylkill Skunk, on the Dell. Mr. Valentine Bliss Fine, sailing his crafty "Dean Ronnie," won the pot on the 20th of May, and on the 25th, successfully defended the "America's Puck" against the English challenger, C.F. Dunnett. With returning Fifth Formers, a crop of promising new sailors, C'pt. Thomas Powell, as the Club's Advisor, and the Reverend Mark L. Brown as Fleet Chaplain, the Club looks forward to a fine season in 1971.

# RECEPTION COMMITTEE

The Arts and Crafts Committee . . . ah, yes; that was that group of fellows with that football player who took a sabbatical. What was his name? Bernard! And Swett; Swett was in the Glee Club too, wasn't he? Yea. There was Hughes. Strange fella. Rough on his kids as a prefect. Remember Parnelli (Snake) Frondorf, and Bozell. That Mike was a good artist. McElhiney was one too. There were a couple more. Who? One was Morgan. Did he ever finish his chest of drawers? I think he did. Then there was that strange desk sort of an affair Zimmerman made. Turn the page.

# DEBATE

President

Dann

This year the Debate Club has widened its scope from exclusively debating to all forms of public speaking including extemporaneous, informative, persuasive, poetry reading, and prose. Despite the changes wrought by these new innovations, the old traditions remain. Formost among these is preparation; the lack of which by the opposition, has won many a debate for veteran Hill School teams. The year 1970 undoubtedly will live on in Debate Club annals as the style setter for all oratorical shovelling to come.
